

**Dissemination of the second project meeting in Istanbul - Turkey  
25.11 – 30.11.2013**

**Tuesday, 26<sup>th</sup> November, 2013**

The teachers and the students were welcomed by the head teacher and students of TAYFUN TOPÇU ANADOLU LİSESİ. We visited our partner's school. The Head Official introduced his district. We were welcomed traditionally with Turkish tea.

At lunch, the students served us traditional Turkish food. We had opportunity to meet with Turkish cuisine.

After lunch, four of the partners showed their Power Point presentations on customs, beliefs when human beings are born, get married, have children or die. During the presentations we discovered that we already have a lot of common points from past till now about our tradition.

**Wednesday, 27<sup>th</sup> November, 2013**

There was a documentation trip to Istanbul. We visited Topkapı Palace Museum, Hagia Sophia and Basilica Cistern which represented huge history of Turkish Republic in all ways including life styles, war equipment, cuisine, women effect on government, international relationships, clothes, crafts and architecture. It was a very good example of Turkish national heritage. We discussed about their rich history and influence on other nations. We also talked about common points in historical and religious aspect. In the afternoon, video collection of traditions that people have at important events in their lives was displayed. All the partners had a question- answer session in order to clarify all issues connected with the topic. We evaluated all collection and students' work on it.

**Thursday, 28<sup>th</sup> November, 2013**

There was a documentation trip to Miniaturk and Panorama Museum in connection to our project. We had a guided tour of small miniatures of all castles, mosques, churches, historical and places of interest, natural attractions and other architectures in Turkey. Then, we had opportunity to observe some lessons in Turkish school. We could compare their teaching techniques with ours. After a short break the students presented their Power Point presentations on customs, beliefs when human beings are born, get married, have children or die. Now we could sum up all of them. As after the first part we discovered that we already have a lot of common points from past till now about our tradition.

We could evaluate our work.

**Friday, 29<sup>th</sup>, November,2013**

We watched the video collection that was joined together. Almost all representatives explained some issues presenting on their video. In mixed international groups all students had a discussion about how traditions are alike and differ from each other. Each group prepared tables for common and different points about traditions and after that made presentations. We talked about great understanding of other nations, their culture and tradition. The evaluation of the whole meeting in Turkey was done. The teachers talked about the final project for the next project meeting in Norway.

Dissemination made by Polish team:

Monika Futiakiewicz – coordinator,

Gabriela Daniel, Karolina Halat, Michał Futiakiewicz, Jakub Puch – students from Zespół Szkół Samorządowych Nr 1 w Limanowej
